Update on the Federal Heights Building

Progress is being made on the new ADS facility in Federal Heights, but we have run into some unforeseen issues with permitting and such. Our hopes are to be moving into the new building sometime in September, but as of this time, a firm date is unknown. When we know about a moving date, we will let everyone know with as much notice as possible. We are looking forward to the move and our goal is to be closed as few days as possible. The plan is to do the actual move on a Saturday and get set up as quickly as possible.

If anyone has any questions please give Nancy a call at 303 287 2400.

Yard Sale
September 23

Every September the Senior Hub has a GIANT HUGE yard sale at the Water World Parking lot to raise funds for our RSVP volunteer program. This year for the first time the Adult Day Service is going to have a spot at this yard sale to raise money for FUN stuff for our new facility. We hope to use the funds we raise to purchase an updated video system and furnish a game room. We are NOW accepting donations of YARD SALE stuff to sell at the ADS space. If you bring items in for the yard sale, be sure to tell the staff member that you give them to that they are for the YARD Sale. If anyone has any Big items, please contact Nancy and we can arrange for them to be brought directly to our Federal Heights location for storage until the Sale. Thanks so much.

Mike R - Participant of the Month for September

Mike is one of our newer participants, joining the ADS family in April and is lots of fun! Mike likes games and he also knows he needs exercise, so he frequently joins the group that goes for a walk after lunch. Mike is one of 8 children in his family, and has a fraternal twin brother who lives in Arizona. Mike worked at GoodWill for 40 years. Mike is very kind and gentle and funny. He is friendly and enjoys coming to the ADS.
